

## ***Engage at Every Age***

It is our responsibility to engage individuals of all ages in our world. Our world can include Our Homes, Our Schools, Our Jobs, and Our Senior Day Centers.

The world as we know it has changed over the decades. Years ago, respect was a given. Today, respect is not guaranteed. Disrespect is more prevalent than ever before. Respect comes in many forms, but the Golden Rule “Treat others as you would have them treat you” is the most important rule of all.

We believe that it is our responsibility to educate and engage every age in the skill of respecting each other. Let us show respect with a smile, a kind word or deed. Let us show that the world is a better place with respect. With respect, we all become free.
